

# Posh Pizza

Our Azure tapas taste travels around the Mediterranean have led us to discover even more delights from further around the World, culminating in the richly vibrant food and cultural experiences that we have brought to your table! If you see a chilli (🌶️) symbol then we're feeling hot, hot, hot! All of our luxurious rustic pizzas are made from fresh pizza dough and smothered with decadent toppings. Irregular in shape, we liken our small pizzas to roughly A4 (same size as this menu) and our large pizzas are a whopping A3 size! Enjoy!
