THE GINVENTORY

GINTRODUCTION

Take a moment to read our guide to enjoying your gin to the fullest - you'll find it genuinely helpful

35ml Measures - Pure Ginious

We offer the extra gincentive that all of our gins are served in 35ml measures rather than the traditional 25ml, giving you additional value for money and allowing you to appreciate the full extent of your premium gin and tonic as a long, slow, sumptuous experience. Select your choice of premium tonic or mixer from the list below at a special price of £1.50 (usually £2.50)

Premium Presentation

Our gin and tonics are served to a certain protocol - only ever served in our over-sized goblets with lashings of ice

Premium Gins Demand Premium Mixers

A gin and tonic is only 35% gin, so why combine a premium drink with anything of a lesser quality?

We pair all our gins with Fever-Tree Premium Tonic Waters. With their carefully selected natural botanicals and perfect carbonation, Fever-Tree tonics have been crafted to enhance the taste of gin. Select from the following at the special price of £1.50 each:

Elderflower Tonic, Premium Tonic,
Light Tonic, Mediterranean Tonic,
Cucumber Tonic, Ginger Ale,
Mexican Lime Soda,
Italian Blood Orange Soda,
White Grape and Apricot Soda,
Raspberry and Rose Soda
